## 2009 Fall Recreational Season

*Come join us for another great season!*

[www.somersetwestsoccer.org](http://www.somersetwestsoccer.org)

**Who?** All children in grades K - 8 (grade entering Fall 2009) who live in the attendance boundaries of any of the following elementary schools: Lenox, Bethany, Rock Creek, McKinley, Elmonica. For high school students, SWSC sponsors teams in the THJSL Fall High School Recreational program (more information on the website or at Westview High School).

**When?** Microsoccer (grades K-1) season begins on September 8 and ends on October 22. The season for grades 2-8 begins on September 12 and finishes on November 14. Practices for grades 2-8 begin in August. The High School Rec program begins in late September and ends in November.

**Teams:** Teams are formed according to the club's team formation policy. When possible, we try to honor coach/ team/ teammate requests but cannot guarantee all of these; this is especially true for microsoccer where we need to balance the teams based on grade and gender. Microsoccer and High School Rec teams are coed. For 2<sup>nd</sup> through 8<sup>th</sup> grade, boys and girls play on separate teams.

**Coaches/Assistant Coaches:** Please complete the online coach registration form. Go to [www.somersetwestsoccer.org](http://www.somersetwestsoccer.org) then click on the **Register** link (or **Register>Affinity**). Coach training is provided so no previous experience is necessary!

**Questions?** Email is the best way to communicate with us. Email addresses are available at [www.somersetwestsoccer.org](http://www.somersetwestsoccer.org). Some scholarships are available. Please contact the SWSC Registrar via email at [registrar@somersetwestsoccer.org](mailto:registrar@somersetwestsoccer.org)
